NURSERIES

INC.

Two Mile Corner

Newport, R. I.

Phone Vllking 6-1263

TERMS AND CONDITIONS OF SALE

LISTINGS: We have listed all material under their botanical names as given in Standardized Plant Names. Immediately following the botanical name, we have endeavored to give the average ultimate height that the plant may be expected to attain. Of course this will vary according to climatic and soil conditions. See Index of Common names in back of book.

PRICES: Prices in this book cancel all previous listings. They are based on current market conditions and are subject to change without notice.

TERMS: 2/10 — net 30 are offered to those of established credit. Otherwise, cash, security, or satisfactory references — C.O.D. orders must be accompanied by one-third ($1/3$) cash — Overdue accounts subject to a 6% per annum service charge.

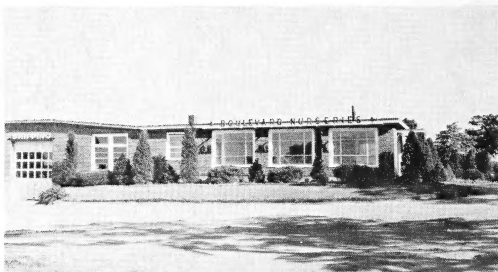

GOODS IN TRANSIT: All goods are at purchaser's risk after they are delivered to the forwarding companies and we receive their receipts for the shipment in good condition. Packing charges are at cost.

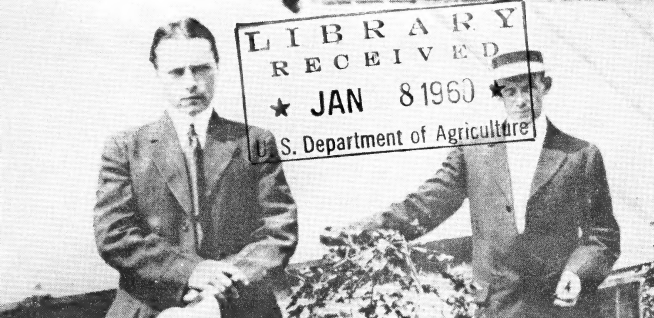

DELIVERY: All material sold f.o.b. Nursery; no extra charge for loading bulk trucks or car lots. Truck deliveries can be arranged.

CLAIMS: Must be made within 10 days after receipt of material.

SPECIAL NOTICE: Stock booked subject to prior sale, and to condition of stock at delivery date. In no case will we accept any monetary responsibility on the loss of plant material, but we assure our customers that all just complaints will be cheerfully considered.

— *Rhode Island Grown Best by Test* —

Our founders, Esau Kempenaar on left and Frederick Christensen on right, as they appeared in 1910.

1910 - 50th ANNIVERSARY - 1960

The Boulevard Nurseries Inc., formerly known as Kempenaar & Christensen, was established in 1910 by Esau Kempenaar, who came to this Country in 1907 from Holland, and by Frederick Christensen, who came to this Country in 1904 from Denmark.

They started with a small greenhouse and approximately four acres of land on Friendship St. in Newport, R. I. The business has grown yearly. Now there are 15 greenhouses and approximately 350 acres of land, on which is grown a general line of nursery plants, including the growing of shade trees, evergreens, shrubs, roses, and a large assortment of lining-out stock.

Besides the founders of the business, there are now Charles, Robert and Frederick Kempenaar, who are actively engaged in the Company.

Our aim now as over the past few years is to serve our customers with top grade nursery stock at the lowest prices possible.

We wish at this time to thank all our customers for their past patronage.

Frederick Christensen, left and Esau Kempenaar, right — 1960

Boulevard Nurseries, Inc.
